## SUMMARY

Web developer with a background in psychology seeking a full-time web development position. Passionate about creating functional, user-friendly, and aesthetically pleasing websites. Experienced in HTML, CSS, JavaScript, jQuery, Bootstrap, and Firebase. Successfully works with a team to complete and implement projects utilizing collaboration and time-management skills.

## TECHNICAL SKILLS

- HTML5
- CSS3
- JavaScript
- jQuery
- Bootstrap
- Firebase

## PROJECTS

**RouteVisor** | https://github.com/ethgent2391/groupwork1 | https://group3tripplanner.herokuapp.com/
*Collaborator*
Application splits a route into segments based on user-input of how many miles they would like to travel at one time.

- Application displays route, plots stop points, and suggests lodging around the stop points
- Responsible for making the application mobile responsive and displaying the written directions
- HTML, CSS, JavaScript, jQuery, Bootstrap, Firebase

## EXPERIENCE

**Learning & Development Coordinator** - *Things Remembered, Inc.* - Highland Heights, OH      2016-present
Implement and provide ongoing support for Learning & Development initiatives in 430 stores, the Home Office, and the Fulfillment Center. Strategically develop training materials and videos for the field organization to ensure best practices are communicated and trained effectively and consistently. Manage the reporting on field management training compliance, creating reports for leadership weekly and as needed.

*Key Accomplishments:*

- Improved the efficiency and accuracy of the field management training compliance reporting by validating the incoming data and streamlining the process to pull the data together
- Created materials and managed the training process of rolling out a new POS system to 376 stores
- Represented the Learning & Development Department on an innovation team focused on the planning and execution of ten pop-up stores across the country for the holiday season

## EDUCATION

**Case Western Reserve University**, Cleveland, OH - Full Stack Web Development Bootcamp
**University of Notre Dame**, Notre Dame, IN - Bachelor of Arts in Psychology, minor in Business Economics
